Hello!

Thank you for joining the webinar, "Don't Panic, Pivot!" I hope you found the information useful.

This document includes two worksheets - one to track priority items, and one for envisioning the changing universe.

The envisioning the universe worksheet is adapted from "Turbo-charge & Transform!," my workbook for corporate innovation. This is available through Amazon.

Advantage Business Concepts offers in-person and virtual peer advisory groups for business leaders, in addition to team facilitation, strategic planning and individualized consultative services.

Best wishes for you and your business during these difficult times. Please reach out and stay in contact via LinkedIn, and please let me know if I can be of assistance to you.

Take care,
